Lead Reactivation Sprint

Recover missed revenue from the leads, past customers, and old opportunities you already have.

Lead Reactivation Sprint is a focused revenue-recovery project for local businesses that want to turn overlooked contacts into replies, reviews, repeat business, and booked appointments.

Many businesses already paid to generate these leads and already earned these customer relationships. This sprint helps turn that neglected list back into conversations and booked work.

Who This Is For

- Local businesses with an existing lead list, past customer list, or stale pipeline
- Teams with estimates, opportunities, or follow-up that have gone cold
- Businesses that want better follow-up without relying only on new lead generation

Best-fit industries include:

- Home services
- Med spas and aesthetics
- Dental and elective healthcare
- Legal and real estate teams
- Booking services

What's Included

- *Reactivation strategy for one core offer or audience*
- *Contact-list review and cleanup plan*
- *90-day SMS and email follow-up sequence*
- *CRM workflow setup for the agreed sprint scope*
- *Review and referral ask sequence*
- *Basic reply and booking tracking setup*
- *One implementation walkthrough*

Timeline

Most standard sprint builds are completed within 5 to 7 business days after intake, payment, and access are received.
